

Subject: Professional Construction Services for Your Home or Business

To Whom It May Concern,

My name is Stacy Blake, and I am reaching out on behalf of Prime Drywall Pro Inc./PDP Construction Services. We are committed to providing high-quality and reliable drywall and light gauge framing services to homes and businesses throughout the Tulare County area. We are pleased to announce the expansion of our business as well as the new services we offer. We are also doing business as PDP Construction Services.

At Prime Drywall Pro, we offer a comprehensive range of construction services and trades. We provide new construction and service repairs for residential, commercial and industrial customers. Our services include work for regular hours, emergency calls, or 24/7 service.

-Demolition, job site cleanup, insulation, general labor, carpet cleaning, masonry, welding, iron work, framing (metal and wood), partition walls, drywall work (including tape, texture, finish and FRP), painting, roofing, flooring (including carpet, tile, laminate and epoxy), electrical, HVAC, plumbing (including air, gas, water, sewer and condensation lines, backflow testing, video inspection, water testing, hydro jetting and leak detection), tack board installation, acoustic ceiling tile (tbar ceiling), concrete, asphalt, finish work (door installation, door knob installation, base board installation, etc), dryer vent cleaning, and siding repair.

Our team of licensed professionals is dedicated to delivering exceptional customer service, ensuring that your construction needs are addressed promptly and efficiently. We use the latest tools and technology to resolve issues with minimal disruption to your daily routine. We are licensed General B as well as C-9 from the California State License Board and we are DIR certified for prevailing wage work. Our company is certified by the Environmental Protection Agency as well as mold removal certified and backflow repair certified.

If you have any questions or would like to schedule a consultation, please feel free to contact our project manager, Carlos Torrecilla, at **(559) 799-2207** or by email at **ct@primedrywallpro.com**. We would be delighted to discuss how we can assist you with your construction needs. Thank you for considering Prime Drywall Pro Inc. We look forward to serving you!
